

8800 Series
Technical Specification Sheet

8800 Series

Overview

As stylish as it is powerful, the BlackBerry® 8800 smartphone is designed to let you do your best work from wherever you choose. It gives you phone, email, organizer, web browsing and instant messaging. And then it goes a step further, providing GPS for enhanced access to location-based applications and services, including the pre-loaded BlackBerry® Maps application. A media player for your video clips and music. Expandable memory to ensure you've got the room you need for your media files. And a high-capacity battery to allow you to make the most of it all.

Sleek and performance-driven, it's the stylish way to get things done. The BlackBerry Pearl smartphone is small enough to take anywhere. It's the ultimate combination of brains and beauty.
